Minutes

Meeting was called to order by President Larry Dorsey.

Treasurer's report

Secretary Rodger Flotta said we now have \$900.00 in the Treasury.

New business

The members provided several referral leads to Jennifer Lord of Beanslive. She will contact these referrals to sell advertising space on the LOLA website. Sheri Brown of beanslive explained that only one industry advertiser (restaurant or landscaper) will be allowed on the home page. Larry Dorsey is confident that Jennifer will sell the three spaces on the home pages, if all spots are not sold by the January meeting Dorsey Services would agree to purchase a home page space.

Elaine Mathews of Greene County Habitat for Humanity said the two new homes on Planing Mill Rd. are under way and hoping for volunteers to plant trees the third week of January. They will provide more information at the November meeting.

In June we discussed the limited number of landscape professional in the Lake Oconee area and suggested expanding our membership to those outside the green industry.

The members discussed these options and it was unanimous by the members to expand this option to areas outside the green industry.

We discussed the November 10th meeting and all agreed to meet at Ponchos Mexican at noon.

The October meeting of LOLA was closed President Larry Dorsey.
